We Believe

That faith in God gives meaning and purpose to human life;

That the Brotherhood of Man transcends the sovereignty of nations;

That Economic Justice can best be won by free men through free enterprise;

That Government should be of laws rather than of men;

That Earth's great treasure lies in human personality;

And that Service to Humanity is the Best Work of Life!

Thanks Amber and Rik for hosting the Super Bowl Party this year! Everyone had a great time even though the Colts won the game.
